THE 2000 AMERICAN EAGLES

A SELL-OUT IN 1999 — A MUST FOR 2000

It's the moment you and thousands of other collectors have eagerly awaited. Yet you must not delay. The 2000 American Eagle Proof Coins are likely to be in big demand. In fact, it could be a repeat of last year, when for the first time since 1990, American Eagles sold out in all individual sizes. And as the first American Eagles of the new millennium, the 2000 coins could sell out just as quickly. So to avoid disappointment, you must place your order today.

A COIN FOR THIS CENTURY AT LAST CENTURY'S PRICES

Despite their status as the first American Eagles of the new millennium, the 2000 coins are priced at 1999 levels. Prices start at just \$24 for the one-ounce Silver Proof Eagle and just \$70 for the one-tenth ounce Gold Proof Eagle. And remember — when you buy the Gold Four Coin Set, you'll save \$76, compared to buying the four sizes separately, and you'll be certain to add all four coins to your collection. Truly, these are coins you can't afford to pass up.

AN AMERICAN CLASSIC ENTERS A NEW CENTURY

The premiere coins of the 20th century have entered a new millennium. Now, the incomparable designs of Augustus Saint-Gaudens and A.A. Weinman — in exquisitely crafted proof versions — are officially available from the United States Mint. It's cause for celebration!
